The Kitchen is the Heart of Your Home.

This contemporary kitchen features the Fairway Door Style, combining the beauty of Sienna stained Maple with a pop of color on the island and beverage center. Behind closed doors you will discover a variety of accessories that increase functionality and enhance the spaces to create more storage.

A pantry with rollouts, pull out base organizers, Aventos lift up system, crown molding, China Doors and built in ovens are some of the many features that add to the beauty and function of the kitchen.

Fairway - Maple - Sienna
Island is Paint Grade Maple - Charcoal Blue Paint

The combination of quality materials and superior construction methods come together to create cabinetry that has the style and flair of fine furniture.

We believe American made cabinetry is the best in the world!
The quality of work and service is a matter of personal pride for our Koch Cabinet's skilled craftsmen.

PRAIRIE

Paint Grade Maple
Ivory Cabinets and Charcoal Blue Island

This contemporary kitchen features crown molding, range hood with corbels, china doors, full overlay, and five piece drawer fronts. The walk in pantry blends in seamlessly, concealing a storage area that can be used for items such as appliances, cooking vessels, and dry goods.

The large Island adds a contrasting element, featuring a farm sink on one side, seating on two sides and plenty of storage all the way around.

Guests will feel welcome, and right at home in the open atmosphere that brings everyone together.

Other Rooms

Every room in your home can be as beautiful and unique as your kitchen

Our hand crafted cabinetry will enhance your media room, home office, bathroom, closet, entertainment center, living room, bar area, entry way or any room in your home. Make a lasting impression throughout your home as your family and friends gather together to create memories.

Endless

DOOR AND DRAWER OVERLAY OPTIONS

Modified Full Overlay

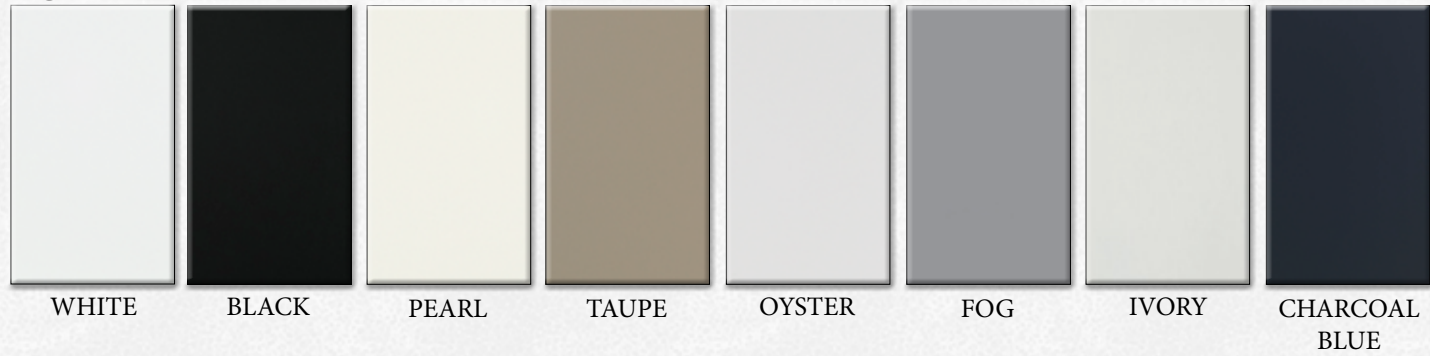

The term "overlay" refers to the amount the cabinet door (and drawer front) overlays (or hangs over) the cabinet frame opening. Koch frames are typically 1 3/4" wide and two overlay options are available. Our standard overlay generally covers 1/2" of the frame, leaving 1 1/4" of the frame exposed. The Mod-Full overlay option will generally cover 1 1/2" of the frame, leaving 1/4" of the frame exposed.

Note: There can be some exceptions with certain cabinets. Check with your dealer for more information.

Glaze Options

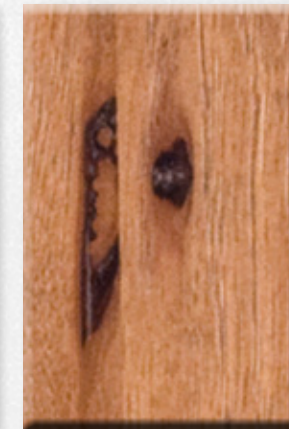

Rustic Woods

Doors made with rustic woods may have knots, mineral marks, blemishes, and character spots. The amount of characteristics are random so no two doors will be exactly the same, making it a unique and beautiful product. There is no minimum or maximum amount of characteristics in a door.

Wormholes

Knots

Mineral Streaks

Distressing

DISTRESSING:
Our distressing technique creates a unique look with cracks, dents, nicks, and wormholes, giving the appearance of aged wood.

RUB THROUGH:
Allows the natural wood color to show through the finish or paint.
